In Re: Petition for Exemption of Certain Services, Docket No. 03-00391

Consumer Advocate's Request for Extension of Time to File and Serve Second  
Round Discovery Requests to Citizens

Dear Hearing Officer Gilliam:

Over the course of the preceding week, the Consumer Advocate and Citizens have been working to address discovery issues. As a result of these efforts, Citizens provided the Consumer Advocate with supplemental responses to its first discovery requests yesterday afternoon. In order to give the Consumer Advocate time to review Citizens' supplemental responses prior to issuing its second discovery requests, the Consumer Advocate requests a one-day extension in time for the filing and service of its second round discovery requests to Citizens, making such requests due on Monday, May 3, 2004. Citizens has been contacted regarding this request and has no objection.

Sincerely,

A handwritten signature in cursive script that reads "Joe Shirley".

Joe Shirley
